

COMMUNITY EDUCATION

Workshop for Program Leaders

Find out the seven reasons winning community education programs win. Learn about finance percentages and pricing, best use of staffing resources, the most critical industry best practices, short and long-term planning, software system requirements, ideal data collection and reporting, and leadership. Greg Marsello is the co-founder and Senior Vice President of the Learning Resources Network (LERN), the leading association in community education and lifelong learning.

Friday, June 14, 9 am to noon, \$25

Worcester Technical High School
