ARE YOU UNEMPLOYED or UNDEREMPLOYED?

Start your healthcare career today!
This **FREE** 120-hour dual
certificate will open many doors
for you whether you want to work
in a healthcare facility or home
setting.

Basic nursing assistant skills will
be taught through classroom
lectures, nursing labs and clinical
practice in a long-term care
facility.

You will get true on-the-job
training with actual patients – a
unique opportunity!

Upon successful completion of
this course, you will be eligible to
sit for the Massachusetts Certified
Nurse Assistant exam.

Acceptance based on a
completed application package
received on a first-come, first-
served basis. Request your
application packet today as
spaces fill quickly.
