

WORKFORCE PARTNERSHIPS

For a complete list of offerings please visit us at www.QCC.edu/WD.

Quinsigamond Community College can help prepare you for the job market by giving you the training employers are looking for. Our programs are approved for SNAP Education and Training. All our instructors have hands-on experience in their fields. This gives them the necessary knowledge so they can then pass it on to you. Get started in a career that you care about and where you can advance and succeed in the years to come!
