

# ***Welding/ESOL Program***

***WHERE:*** Worcester  
Technical High School

***WHEN:*** Fall 2022

***TIMES: Mon, Tue, Wed***  
5:30-8:00pm

Learn the *basics of welding* in this hands on class at Worcester Tech! You will be taught MIG and stick techniques by our experienced welding instructor.

We will provide welding vocabulary training and job support training such as resume writing and application assistance.
