

Augmented Reality Welding Class

REMAKE 4.0 training invites the *daring*, the *bold*, and the *free-thinkers* to experience and learn the skills necessary to make change and build your career.

This is a 6-week training course design to provide the knowledge and skills necessary to prepare students for an entry-level career in welding.

Free tuition is offered through **REMAKE 4.0**.

Wednesdays & Thursday,

6:00 – 8:30pm March 16 – April 21

- Training prepares students with welding vocabulary, techniques, and basic operations of a welding gun. Lessons will include lecture, demonstration, discussion, online course modules and lab exercises.
